

Public Health Code Review Project: Frequently Asked Questions

■ **What is the purpose of the Advisory Committee?**

The Advisory Committee will use their expertise and review feedback received from stakeholders and any interested party to compile a set of recommendations for further review.

■ **Is the Advisory Committee going to be changing the Public Health Code?**

No, the Advisory Committee is only going to be submitting a set of recommendations for further review to MDCH Director Jim Haveman and Governor Rick Snyder. The recommendations will be based on feedback from internal and external stakeholders with interest in the subject matter of the public health code and the expertise of the Advisory Committee.

■ **Will there be public hearings for this project?**

There will be no public hearings for stakeholder input for the Public Health Code review project. All input will be collected electronically or sent in a paper format to the following address:

Public Health Code Review Project
Capitol View Building, 7th floor
201 Townsend Street
Lansing, MI, 48913

■ **Where can I find additional information related to this project?**

Information regarding the process, Advisory Committee meeting minutes, and all other updates can be found on the [Public Health Code Review Project Website](#).

■ **Where can I submit any questions and/or concerns regarding this project?**

Please submit any questions or concerns to the designated Public Health Code Advisory Committee Email here: PHCAC@Michigan.gov

■ **Is there a limit to the input I can provide?**

No, there is no limit on the input you can provide. However, conciseness is appreciated.
